

PRODUCT SPECIFICATION

REF 506224 SALVEQUICK AQUA RESIST LENGTH 6X75 CM

1 GENERAL PRODUCT DESCRIPTION

Description

Length plaster to be cut to the right size for minor wounds.
 Beige micro-perforated polyethylene film evenly spread with an adhesive coating and with an absorbing wound pad, intended to be used on minor wounds for protection and absorption of exudates.
 The adhesive side is protected by a siliconized paper that consists of two parts that partly overlap each other for easy application.
 CE-labelled. Medical device class I.

Storage information

Dry storage in room temperature. Keep in original package until use.
