

PRODUCT SPECIFICATION

REF 602236 SALVEQUICK BLISTER PREVENTION MIX 10 PCS

1 GENERAL PRODUCT DESCRIPTION

Description

Blister plaster, made from an advanced hydrocolloid material, provides instant relief from pressure and friction, and accelerates healing. Can be used preventively. Keep the plaster on until it falls off naturally. People with impaired wound healing, e.g. diabetics/elderly people, should check their blister regularly. Do not use on blood blisters or deep, heavily bleeding or infected blisters.

CE-labelled. Medical device.

Storage information

Dry storage in room temperature. For maximum protection, keep in original package until use.

2 DETAILED PRODUCT INFORMATION

Content per consumer unit
